

UB attracts the brightest, most talented students from our region, across the country and around the globe. With a rich tradition of research excellence, innovative programs and a student body that looks like the real world, we create life-changing experiences for students and the world at large.

*Fall 2020 data.

ACADEMIC PROGRAMS

POINTS OF PRIDE

- UB is one of 66 institutions with membership in the Association of American Universities (AAU), a prestigious group that leads the way in education, research and discovery.
- UB is consistently recognized for excellence and affordability, with tuition that's a fraction of the cost of our peer institutions'.
- Finish in 4: Our commitment to your graduation. Get the support you need to graduate in four years.
- Our low 14:1 student-faculty ratio allows you to connect with great minds who will help shape yours, preparing you for each step of your academic journey and beyond.
- As the No. 1 university in climate action (Times Higher Education Impact Rankings), UB leads the world in addressing the United Nations Sustainability Development Goal pertaining to climate action.
- UB's extensive alumni network includes 280,000+ UB grads in 50 states and 150 countries.

APPLY ONLINE at admissions.buffalo.edu/apply.

- Test-optional admissions for fall 2022 and spring 2023.
